

THE OFFICIAL SUPPLIER TO:

## QUARTERLY NEWSLETTER FEBRUARY 2008

Hello and welcome to our first newsletter of 2008. The team at Powa Products have had a busy start to the year, preparing quotes and also supplying teams with much needed pre season training equipment. We look forward to having a successful year with you and are always here to help. We pride ourselves on providing quality goods through fast and efficient service at competitive prices.

### NEW POWA PRODUCTS

We now manufacture **Rugby Goal Posts** (finished in white powder coat). Available in Senior and Junior sizes these are available at very competitive prices. Visit the website [www.powa-rugby.co.nz](http://www.powa-rugby.co.nz) in the "For the Field" section for more information.

Powa Products are also pleased to offer **Mini Goal Posts** priced at \$47.50 excluding freight + G.S.T. These mini goal posts come in a carry bag, with soft ball and tee, and without a doubt will produce endless amounts of fun (A great idea for presents for all ages). Run your own kicking competition!

Mini Goal Posts

### "Coffin"

Designed and manufactured by Powa Products: **Strong aluminium case** with handles, wheels, lockable. Size; 1200mm long x 500mm wide x 425mm high, weighing 20kgs. Great for transporting those important products. Price \$680 + G.S.T & freight.

We are also pleased to offer new drink bottles which can be printed specifically with your required logos. There are three styles; Action: 500ml, Supa Sipper: 800ml, and the Sure Shot: 750ml. For printing purposes price is on application and there is a minimum order amount of 100.

### POWA SCRUM NEWS

The Powa Portable One Man Scrum Machine is proving to be a popular scrum training machine. Now used by a number of New Zealand Super 14 teams, the Powa Portable Scrum Machine has been great for improving body position before the 'hit'. The machine is great as individuals can train on their own and improve their own technique outside of conventional eight man scrum practice. In order to move the 200kg+ water weighted machine, players must use a good technique with the correct body position.

## POWA PRODUCT DEVELOPMENT

Most recently we have been developing a new tackle bag known as the **Donut Tackle Bag**. The advantage of this device is that it is a moving target, and can be rolled in various directions to mimic different situations for the tackling player. This unique training device is 1200mm in diameter, and is still in the initial trial stages. We would appreciate any feedback and your thoughts on this new development. We believe it will be very useful for coaching the correct tackling technique especially with younger players. Please contact Chris to discuss.

The **Powa Gear Dome** may now be printed with your club, school or sponsors' logo. Entice potential sponsorship with this innovative idea. The gear dome allows sports teams to keep their gear dry, safe and all together on the sidelines. Great for those freezing cold, raining Saturday mornings! The dome can be instantly put up and taken down, and is lockable. For \$80.00 (excluding G.S.T, printing and freight) it is a great idea for all sports teams this winter.

## POWA PRODUCTS OFFICIAL SUPPLIERS TO:

We are delighted to announce that we are now the Official Suppliers to the Blues and Auckland Rugby Union. We look forward to working with the parties involved and supplying the highest quality rugby related training equipment to a major union and Super 14 franchise.

For a number of years now Powa Products has been the official supplier of rugby equipment to the Wellington NZI sevens. The tournament was again a huge success and we look forward to continuing this relationship in the future.

Powa Products has recently become the official suppliers to NZRugby Resources an exciting new company. Check out their website <http://www.nzrugbyresources.com> for more information.

To avoid the inevitable pre season rush, please contact us now for all your rugby related equipment for the upcoming season. We are always happy to prepare quotes, and for further information about any of our products please do not hesitate to contact the team at Powa Products.
