

QUARTERLY NEWSLETTER JUNE 2008

Hello and welcome to our most recent newsletter. Powa Products pride ourselves on our service, quality and innovation. For some of the latest developments in the rugby world check out our website www.powa-rugby.co.nz.

NEW POWA PRODUCTS

Powa Products is pleased to offer the Stretch A Flex®. This is an ingenious flexibility enhancer specially designed to provide the optimal leverage necessary for a “super” stretch. This is non elastic and is instantly adjustable for each stretch. The Stretch A Flex® allows you to monitor your own stretch and your own comfort zone, helping to avoid over stretching an injury. Four Sizes are available; small - up to 160cm, medium - up to 182cm, large - up to 196cm, extra large – over 196cm.

We now manufacture Rugby Goal Posts – galvanised pipe and powder coated white. Available in Senior and Junior sizes at very competitive prices. Visit the website www.powa-rugby.co.nz in the “For the Field” section for more information.

We now can offer the Donut Tackle Bag. The advantage of this device is that it is a moving target, and can be rolled in various directions to mimic different tackling situations. It will be very useful for coaching the correct tackling technique especially with younger players. The donut tackle bag is 1200mm in diameter and is only available in one size, for Junior Rugby.

MAKE TO ORDER

A unique area of our business is the ‘make to order’ section. This is where we turn your ideas into a reality. Some recent examples include; a kicking target (below) and a passing target (right).

POWA SCRUM NEWS

Chris has designed a trailer specifically for the transportation of the Powa Scrum Sledge / Ruck Machine. The trailer features a small hand winch and rollers making it easy to take the scrum machine on and off the trailer. This is a great idea for coaches who travel and wish to have the Powa Scrum Sledge at all of their training sessions.

New markets for the Powa Scrum Sledge are U.S.A and Sri Lanka. This scrum machine is gaining more recognition by coaches throughout the rugby world, due to its comfort and safety features. Please do not hesitate to contact us for a free quote.

CORPORATE BRANDING

Powa Products have had a long association with many corporate clients, manufacturing and printing products to meet individual clients' needs. We have over 15 years knowledge on the corporate branding process and the need for accuracy when dealing with corporate logos. Please do not hesitate to contact us for free quotes or to discuss possible corporate branding potential on any of our products. Below are just some of the examples of our product range which may be branded with your club, school or sponsors' logo.

POWA PRODUCTS DISPLAY

Powa Products has a display of some of our products at the New Zealand Trade Centre, 26 Albert Street in Central Auckland. The trade centre has approximately ten thousand visitors each year and features a variety of displays from NZ exporters. Feel free to drop in and check out the quality of our products for yourself.

For further information about any of our products, free quotes, or queries in regards to this newsletter please do not hesitate to contact the team;
